The SCDHEC Office of Ocean and Coastal Resource Management has received an application for a permit for the alteration of a critical area. This application was submitted pursuant to the Coastal Zone Management Act (Act 123) of the 1977 South Carolina General Assembly. The application, in brief, is described as follows:

**APPLICANT:** Jerry W Hilton

P O Box 1366  
Beaufort SC 29901-1366

**LOCATION:** On and adjacent to McCalleys Creek at 8 Hanna Avenue on Paukie Island, Beaufort, Beaufort County, South Carolina.  
TMS#: R100-029-00B-0086-0000.

**WORK:** The work proposed consists of constructing a private dock. The proposed structure will have a 4'x430' walkway with handrails leading to a 10'x20' covered fixed pierhead. To the right of the pierhead will be a 4'x24' ramp leading to a 10'x25' floating dock. The purpose for the dock is for the owner's private recreational use. **The old existing dock to the left will be removed prior to construction.** (This is a revision for the enlarged pierhead originally public notice on November 3, 2006.)

This public notice is being distributed to all known interested persons and agencies to assist in developing facts on which a decision by OCRM can be based. Comments concerning the proposed work should be submitted in writing, setting forth sufficient detail to furnish a clear understanding of the reasons for support or opposition.

The decision to issue or deny a permit will be based on the individual merits of the application, the policies specified in the South Carolina Coastal Zone Management Act, and the considerations outlined in the State of South Carolina Coastal Zone Management Program. Interested parties who wish to be notified of final permit action must notify OCRM in writing of this request.
